Labelling Licence Δ 9

Betonvarekontrollen (BVK) certifies that

Paving products and blocks

delivered by

FC Beton A/S

manufactured at the production place

**FC Beton A/S, Frejlev
Nibevej 331, 9200 Aalborg SV**

comply with the requirements of

DS/EN 1338 – Concrete paving blocks – Requirements and test methods

DS/EN 1339 – Concrete paving flags – Requirements and test methods

DS/EN 1340 – Concrete kerb units – Requirements and test methods

**DS/INF 156 – Guidance paper – application of the standards for concrete paving
blocks, flags and kerb units**

**DS/EN 15435 – Precast concrete products – Normal weight and lightweight concrete
shuttering blocks – Product properties and performance**

The conformity is evaluated on the basis of initial testing, surveillance of the manufacturing processes and the factory production control, the results of internal inspections, and audit testing.

BVK carries out regularly impartial monitoring of the associated plants and products to make sure that they comply with the requirements. Only products with the label Δ are monitored by BVK.

The validity of the labelling licence can be verified at www.betonvarekontrollen.dk, where a list of plants and products can be found.
