## Labelling Licence $\Delta$ 8

Betonvarekontrollen (BVK) certifies that

### **Paving products and blocks**

delivered by

### **FC Beton Drastrup**

manufactured at the production place

**FC Beton Drastrup**  
**Nibevej 151, 9200 Aalborg SV**

comply with the requirements of

**DS/EN 1338 – Concrete paving blocks – Requirements and  
test methods**

**DS/EN 1339 – Concrete paving flags – Requirements and  
test methods**

**DS/INF 156 – Guidance paper – application of the standards for concrete paving  
blocks, flags and kerb units**

**DS/EN 15435 – Precast concrete products – Normal weight  
and lightweight concrete shuttering blocks –  
Product properties and performance**

The conformity is evaluated on the basis of initial testing, surveillance of the manufacturing processes and the factory production control, the results of internal inspections, and audit testing.

BVK carries out regularly impartial monitoring of the associated plants and products to make sure that they comply with the requirements. Only products with the label  $\Delta$  are monitored by BVK.

The validity of the labelling licence can be verified at [www.betonvarekontrollen.dk](http://www.betonvarekontrollen.dk), where a list of plants and products can be found.
